# ComSoc Tainan Chapter Region

- 195 members in IEEE Tainan Section
- About 60 colleges/universities

# The Major Activities

Up to now, almost all activities in Tainan Chapter were organized jointly with Taipei Chapter.

- 2004 Spring Workshop on Communications and Information Theory with about 400 delegates from the whole Island, chaired by me. (February, 2004)
- 2004 Autumn Workshop on Communications and Information Theory with about 300 delegates. (August 23/24 2004)
- Summer School on Communications Theory for postgraduate students. (August 2-6, 2004)
- Numerous visitors and speeches

# The Problems

- Lack of money (Is it possible for IEEE to provide some start-up fund for us?)
