

Activities of Nanjing ComSoc Chapter in 2008

Bi, Guangguo
Chair of IEEE ComSoc Nanjing
Chapter

Activities in 2008

- Opening Ceremony
- CHINACOM2008
- Workshop on Cognitive Wireless Networks
- CCSPC2008

Opening Ceremony

- The Opening Ceremony of IEEE Nanjing ComSoc Chapter was held on April 13th 2008, over 09:30 – 15:30 in Chunhui hall in Southeast University, Nanjing, China.
- There were more than 35 IEEE members of Nanjing ComSoc Chapter and over 40 nonmembers interesting in this event attending the Ceremony.
- After inauguration two key note speeches were given by
prof. He Zhenya : Development of IEEE in China
Prof. Zhu Jinkang: New Rising Wireless Communications and
Wireless Networks
- The meeting of the executive committee of IEEE Nanjing Section ComSoc Chapter was held over 01:30-03:30 PM in the National Mobile Communications Research Laboratory in Southeast University.

CHINACOM2008

International Conference on Communications and
Networking in China

August 25-27, 2008, Hangzhou, China

Sponsor:

2008-10-20

8 REGULAR TECHNICAL SESSIONS

2 SPECIAL / INDUSTRIAL SESSIONS

3 WORKSHOPS

Received 822 submissions from 36 countries /
regions

Mainland China	554
Asia	137
MiddleEast	32
Europe	61
America	37

Accepted 270 papers (Acceptance Rate 32.8%)

Among all the participants, 121 are IEEE members.

Workshop on Cognitive Wireless Networks

Sponsor: IEEE ComSoc Nanjing Chapter

Venue: PLA University of Science and
Technology

Time: September 20, 2008

- Received 54 submissions, after a fair review 42 from them were accepted, presented and included in the *Proceedings of Workshop on Cognitive Wireless Networks*
- About 140 attendees, more than 30 are Chapter members
- 2 keynote addresses and 4 technical sessions

CCSPC2008

Conference on Communications and
Signal Processing in China

Sponsor: IEEE ComSoc Nanjing Chapter
CIC C&SP Specialty Committee

Venue: Zhengzhou.

Time: October 23-26, 2008

Activities for 2009 are in planning

- Second Workshop on Cognitive Wireless Networks 2009 (hopefully international oriented)
- Workshop on 4G Wireless Communications
- Jointly sponsor with CIC C&SP Specialty Committee a conference on Quantum information processing & Communications

Thank You !
