RCCC in Rimini, at last !

After many month of planning and preparations – here we are, in Rimini, Italy, for two days of lectures and presentations.

Getting to know all the professional support and advancements that the ComSoc has to offer, and how we, the active volunteers, can assist to make the Society even better.

Many thanks to all the ComSoc officers, staff, and Chapter Chairs, for their help to make it happen, in particular to :

CAROLE !
